

Southern Alameda County Alliance of African American Educators

Mission

The mission of the SACAAAE is to promote excellence in education by providing services and support to enhance the success and performance of all students, with a specific emphasis on students of African descent. This goal will be accomplished by creating professional development opportunities for educators and by facilitating parental and community involvement.

Guiding Principles:

- To work to eliminate and to rectify the effects of racism in education and promote “Excellence for All”
- To address urban area educational concerns of African Americans
- To provide for the professional development of African American educators (administrators, educators, paraprofessionals, parents, volunteers and community members)
- To support, foster and disseminate research information regarding the education of African Americans
- To provide an avenue for recruiting school personnel, African American personnel specifically.
- To create a forum for the exchange of ideas and strategies to improve educational opportunities and achievement for African American students

Alliance Activities:

- Twice Yearly General Membership Professional Development Events with Guest speakers
- Annual Kwanzaa Event
- Cultural Pursuits Student Achievement Awards
- Welcome Back and End -of -Year Social Event
